Ascension Sunday

Intent: *Return to the Light*

Celebrant: Rt. Rev. Steven Marshall

Ascension Sunday commemorates the culminating event in the story of Jesus – his ascent into the Pleroma. This event symbolizes the promise of our own return to the light as well. Gnostic sources tell us that the most potent mysteries and teachings of the Savior were transmitted not only after the Resurrection but after the Ascension. On this day we extinguish the Paschal candle to remind us that the light to which we aspire is a light beyond this world, unto which we may go when we too ascend on high.
